A BRP BRAND

LIVE LIFE ON- ROAD

RIDING IT EASY

We grab life by the handlebars. Our goal is to ride without frontiers and to challenge the status quo. We choose Can-Am On-Road vehicles. Easy to learn, easy to ride, easy to love.

EXPLORING EXPERIENCES

Welcome to vehicles engineered from the ground up to provide performance with peace of mind. We're all-in for going all-out to squeeze every last ounce of fun out of every last road.

STAND-OUT PERFORMANCE AND LOOKS

Two wheels at the front, one at the back: let's conquer those twists and turns with a totally different take on what riding means. Every Can-Am On-Road vehicle is designed to deliver ultimate stability whatever the road. Let's do this, let's stand out and let's ride like nobody else.

Some models, equipment and accessories depicted in the brochure may not be available or homologated in your country. Contact your Can-Am dealer for more details.

Your playground awaits

CAN-AM RYKER®

Easily own the road, the dirt and the gravel with a full-throttle, adrenaline-charged riding experience like no other.

Where performance meets convenience

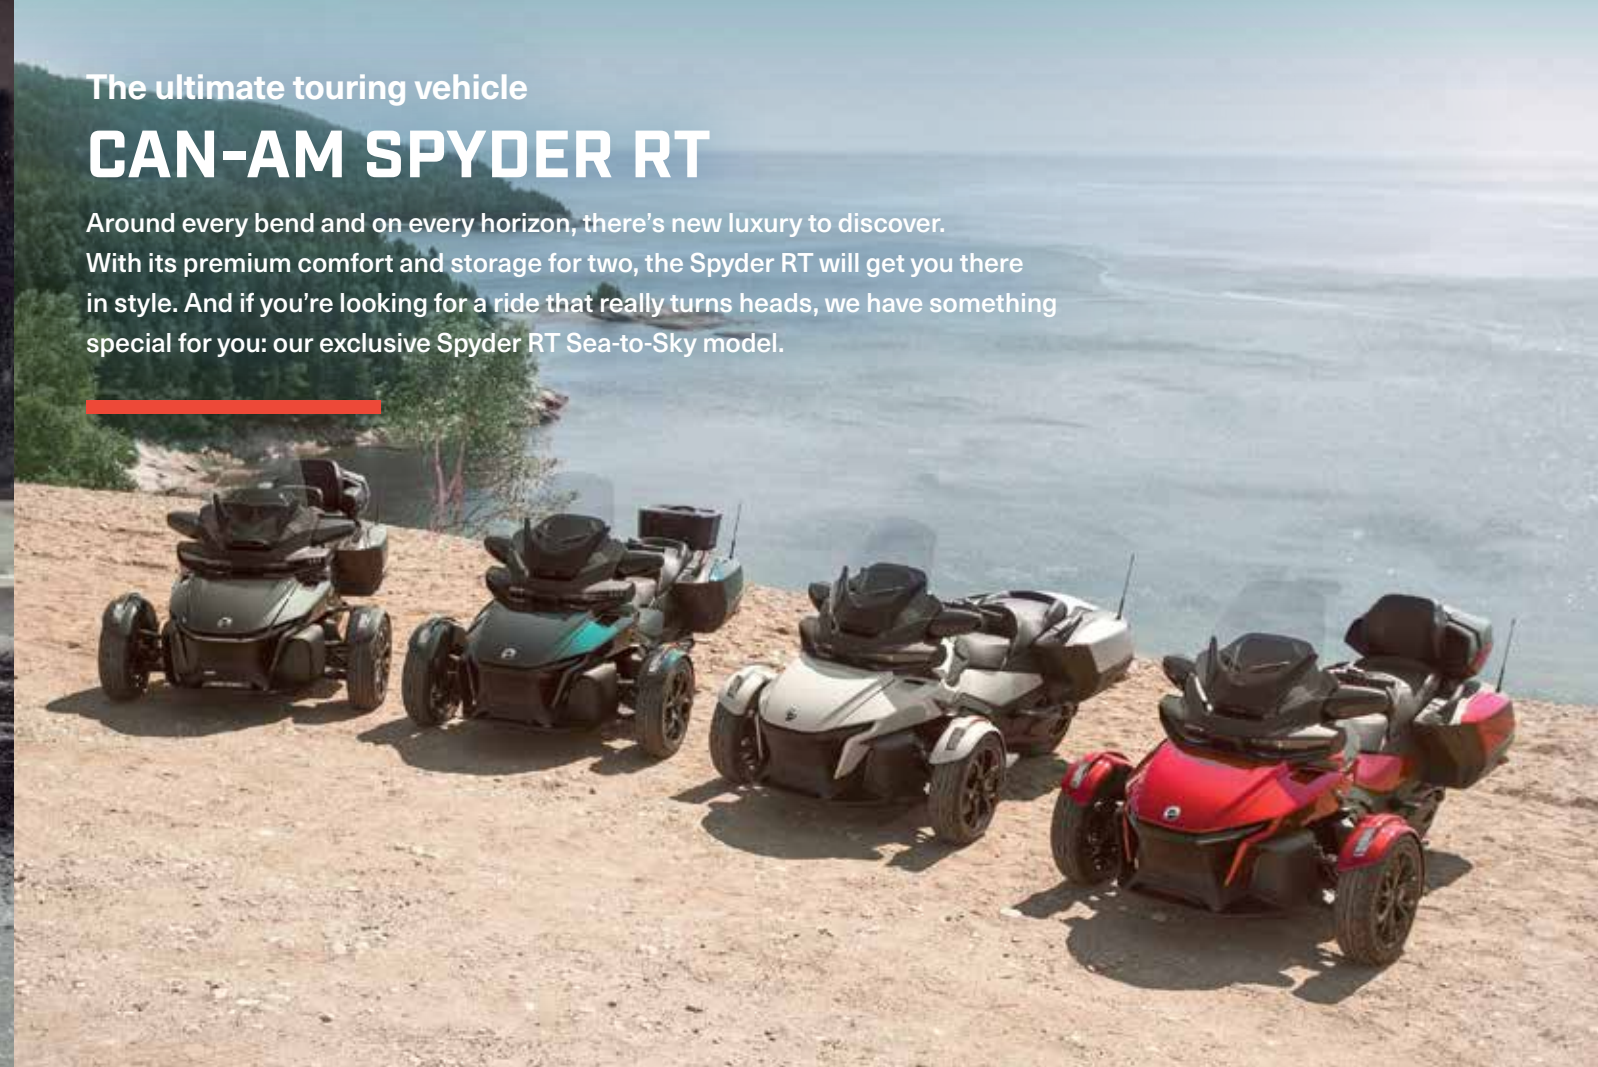

CAN-AM SPYDER® F3

Unreal performance, comfort that pushes you further, muscular design, and a world of open road. With a Spyder F3 growling beneath you, true open-air freedom is yours to be had.

The ultimate touring vehicle

CAN-AM SPYDER RT

Around every bend and on every horizon, there's new luxury to discover. With its premium comfort and storage for two, the Spyder RT will get you there in style. And if you're looking for a ride that really turns heads, we have something special for you: our exclusive Spyder RT Sea-to-Sky model.

**RIDEABLE WITH
CAR LICENCE**

*Can-Am On-Road vehicles are engineered to be easy to learn and ride. Check the licence requirements in your country, in most of them you can save the effort of the motorcycle licence to enjoy open-air riding.

UNLEASH THE FUN

CAN-AM RYKER

DESIGNED FOR FUN

On a Can-Am Ryker, every ride is a thrill ride. With a lower seating position, you'll feel one with the road, so you can tackle tight turns, own every curve, and challenge every limit.

EASY TO RIDE

The Can-Am Ryker features an innovative, intuitive twist-and-go transmission with no gear shifting. Plus, its Vehicle Stability System (VSS) delivers an unrelenting grip on the road.

MAKE IT ALL YOU

Hit the streets in style. Your style. Quickly and easily change your riding position or switch out colored panels and accessories to suit your look. All without tools and without hassle!

CAN-AM RYKER FEATURE HIGHLIGHTS

TWIST & GO

With an automatic transmission and a reverse function, there's no gear changing and no worries. Just twist and go to get all of the performance you want with the fuel efficiency you need.

POWERED BY ROTAX®

No matter what model you choose, you'll take on the open road with the power and performance of a proven Rotax 600 or 900 ACE™ engine.

ROTAX 600 ACE ENGINE

ROTAX 900 ACE ENGINE

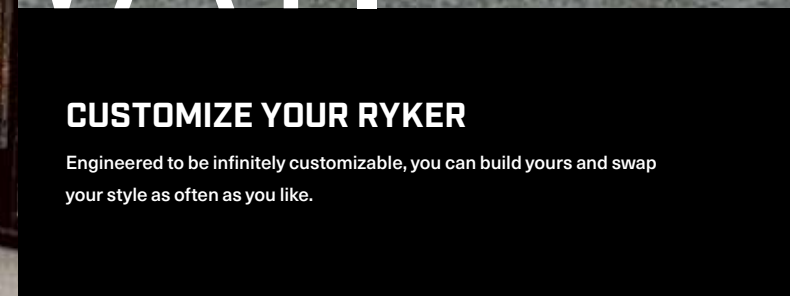

A FIT FOR YOU

The Can-Am Ryker's industry-first tool-free UFit™ System lets you adjust your ride's footpegs and handlebar to your height and riding style in under a minute. Less fuss. More ride.

STABILITY MEETS CONTROL

Two front wheels and a single rear one are key to the Can-Am Ryker's stability and control. The Vehicle Stability System with ABS plus the Stability and Traction Control Systems let you ride easy on any road.

YOUR RIDE. YOUR WAY.

- 1. RADIATOR AND A-ARM PROTECTORS
 - 2. PASSENGER SEAT
 - 3. LinQ™ THERMAL BOX

FULL- THROTTLE FREEDOM

CAN-AM SPYDER F3

BOLD, MUSCULAR STYLING

Turn heads with this bold statement on wheels. With a muscular stance, your presence is sure to be noticed.

ULTIMATE PERFORMANCE

Your pulse will pound with the superior power-to-weight and power-optimized gear ratios that deliver a spirited performance on every ride.

CONVENIENCE & COMFORT

Ride through almost any weather with more storage room for your gear and extra comfort that work hard to keep you going on the longest cruises.

CAN-AM SPYDER F3 & F3-S FEATURE HIGHLIGHTS

POWER MEETS EFFICIENCY

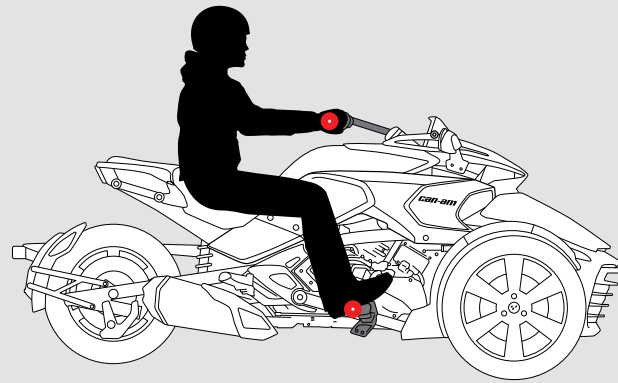

The Rotax 1330 ACE engine allows you to challenge the road knowing you have the power you want when you need it. It's also efficient, with the ability to ride up to 252 miles (406 km) on a single tank.*

*Tested at constant speed. Fuel mileage may vary depending on personal riding habits, weather conditions, trip length, vehicle condition, vehicle configuration and other conditions. Break-in mileage may vary.

ENGINEERED FOR THE ROAD AHEAD

The Stability Control System helps you keep your balance, the Traction Control System provides optimal grip, and the Anti-Lock Braking System combined with the Brembo¹ Brakes deliver maximum braking performance.

A PERFECT FIT

The exclusive F3 UFit System lets you position footpegs to suit your height and choose a handlebar that matches your riding style. It's so easy to customize for a truly personal experience.

F3-S Special Series shown here

SPORTY PERFORMANCE

Hit the open road with the **Spyder F3-S**, and when you want to turn things up a notch, the low center of gravity, higher-performance shocks and Sport Mode are ready.

ENHANCE YOUR RIDE.

DESIGNED FOR TOURING

CAN-AM SPYDER RT

MODERN DESIGN

Ride with sleek sophistication: rich textures, premium LED headlights, and a modern console with full-color LCD display enhance the experience.

PREMIUM COMFORT

Extra-long touring floorboards, abundant seating room, plush heated seats, and superior wind protection mean you get to go farther, better, and more comfortably.

NEXT-LEVEL CONVENIENCE

An astounding 47 gal (177 L) capacity, customizable LinQ accessories (including a 16 gal (60 L) rear top case that fits two helmets)... the Spyder RT Limited and the Spyder RT Sea-to-Sky prove that luxury and convenience can be very compatible.

CAN-AM SPYDER RT FEATURE HIGHLIGHTS

ADJUSTABLE ELECTRIC WINDSHIELD

The adjustable electric windshield with memory function provides superior wind protection, and the memory function automatically returns the windshield to the lowest or previous height.

PREMIUM LED HEADLIGHTS

The premium LED headlights leave nothing to hide around the next turn with improved road visibility and precision lighting.

RAISING THE BAR FOR COMFORT AND STYLE

The reimagined Can-Am Spyder RT is pure touring bliss. The 23" (584 mm) touring floorboards let riders sit and operate in total comfort and confidence. And if you really want to stand out, check out the exclusive Spyder RT Sea-to-Sky with its 6-spoke liquid titanium-colored wheels and Sea-to-Sky badging, fully painted top case, and much more.

VOLUME MEETS VOLUME

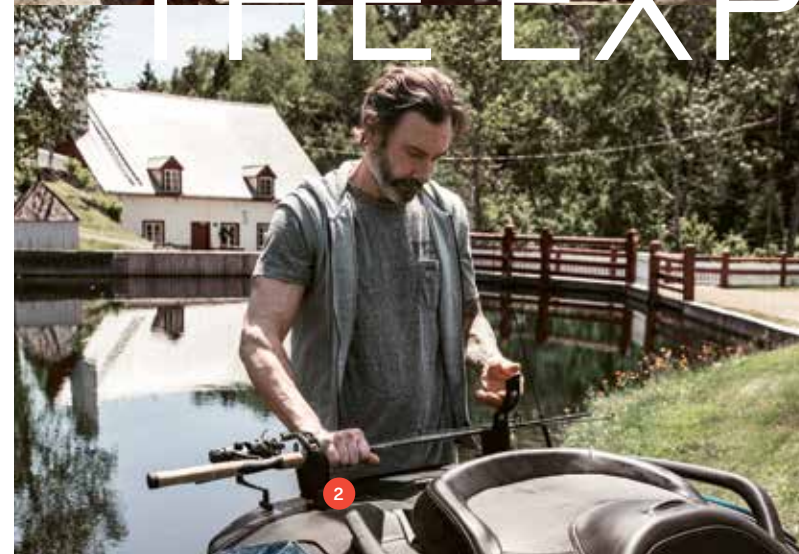

Bring it all along with the spacious 16 gal (60 L) rear top case for Spyder RT Limited. Or crank up your favorite track on the six-speaker audio system with BRP Connect!

ACCESSORIZE THE EXPERIENCE.

CUSTOMIZE YOUR SPYDER RT

Add just the right accessories and raise the bar on excitement and adventure.

- 1. LinQ THERMAL BOX
- 2. LinQ TOOL HOLDERS
- 3. PASSENGER ARMRESTS
